

Brussels, March 12<sup>th</sup>, 2023

**FIRST ANNOUNCEMENT! REGISTRATION AVAILABLE!**

It is our pleasure to announce the joint **BSCRS-OBAO Spring Meeting** that will be held **live** in the facilities of the Delta Hospital in Brussels on **Saturday April 22, 2023**. The main theme of this congress is:

**“Cataract, Refractive and Beyond: Options and Controversies”**

The morning session will be dedicated to:

Part I: **Complex cases and new technologies in anterior segment surgery**

*Selected high input surgery videos will be presented by national and international surgeons and discussed interactively by experts.*

Part II: **ESCRS Academy Session**  **ESCRS**

*Educational clinical themes will be developed by ESCRS Board experts.*

Afternoon's symposia will develop further ethical, economical, and clinical hot topics, **accreditation in ethics** will be requested.

Part I: **Sustainable Ophthalmology: Branding or Urgent Commitment?**

*Keynote lecture by Oliver FINDLE, ESCRS President. Sustainability experiences from Belgium & abroad.*

Part II: **Controversies in Cataract & Refractive Surgery: The Battle!**

*OBAO educational section in a dynamic point / counterpoint format.*

The congress will be ended by the classical **Farewell cocktail**. This meeting has been designed to provide a high educational content and promote easy contact with our industrial partners. We look forward to seeing you on April 22<sup>nd</sup>!

Benoît Golenvaux

*Vice-President BSCRS*

Jan Van Eijgen

*President OBAO*
